

MASTER PLAN WORKBOOK

FROM MOM TO MOMPREENEUR

HOW TO BUILD YOUR DREAM EMPIRE!

By: Amber Trail

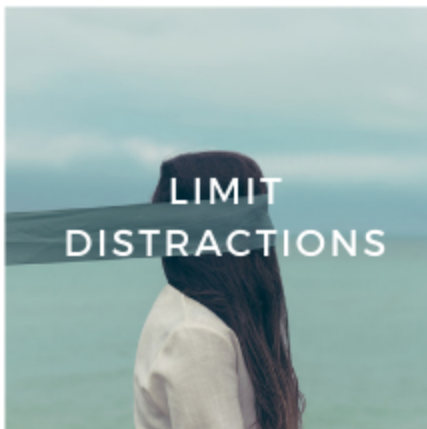

Hey there!

ALL RIGHTS RESERVED, AMBER TRAIL

I'm looking forward to connecting with you soon. This masterclass will give you insight into what it takes to create and launch a successful business while fulfilling your mom duties.

I'll be sharing MANY examples of how my students have started their businesses by creating and launching a profitable business. Learn how to get past the fears of starting your own business and move from mom to mompreneur with our master plan.

To get the most out of this masterclass, here are some helpful suggestions:

FEAR

How do we move
past it?

To create a profitable business first you must,

.....
.....

- Steady income.
- How to even get started.
- Consistent work / sales.
- Failure.

Ideas and Insights:

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

How much do I need to get started?

When starting your business you will need:

.....
.....

- How much does this cost?
- Accounting / Bookkeeping.
- Rates & Pricing Strategies.

Ideas and Insights:

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

FLEXIBILITY

Do you value your family time?

Write down all of the times you have had to miss valuable family time because of a work obligation

.....
.....

Does it seem worth it in retrospect?

- Scheduling.
- Building the life you want.
- I am my own boss.

Ideas and Insights:

.....
.....
.....
.....
.....
.....
.....
.....
.....
.....

When is the last time
you felt truly free?

If you could build your dream life, what would that look like?

.....
.....

- You were made for more.
- Be proud of who you are and what you do.
- Create your dream empire - make it real!

Ideas and Insights:
